

****Calendar****

Open House at Newcomb Central School October 1st

Attention gardeners! HOSTA PARTY!! Are hostas taking over your garden? Would you like to divide and conquer? There will be a hosta planting day at the High Peaks Golf Course so bring your hostas, a trowel (and a friend!) for a day of planting. Date to be determined. Call Lorraine Miga 2402.

Comprehensive Plan Public Meeting

Watch your mail for the third edition of the Newcomb Comprehensive Plan Newsletter, which announces the date and time of a second Public Meeting. This meeting will be at the Newcomb Central School Auditorium at 7 PM on October 15th. All residents and property owners (and anyone else) are invited to hear and discuss the Goals and Objectives that the committee has developed over the past ten months of work. The input from those who attended the meeting in June and the responses from the Town-wide surveys last winter were important factors in developing the Goals and Objectives. The October meeting will give you another opportunity to help fashion the Town of Newcomb in the future. See you there!

With regards to the Website, residents should be aware of the fact that Minutes of the Town Council are also posted regularly and are available for all to review at <http://www.newcombny.com/councilminutes.html>.

Next Nibbler Order is coming up! If you are interested in joining, now is the time to try out the web-based system. The next order is due for Delivery Saturday October 10th. Orders will be due by Tuesday Evening, October 6th.

*****Crow Report*****

Last time I saw all the crows, was on Matt and Millie Winslow's lawn. Saw just two on Mary Pound's lawn yesterday. Where have they flown to now?

***The committee for the Discover Newcomb Weekend** wishes to thank all those that donated their time and efforts to make this a memorable and successful weekend. We wish to thank all who donated items to the Silent Auction and to the winners for the wonderful bids. We also want to thank Newcomb Central School and the staff and students for their part in this weekend. A share of the Teddy Roosevelt Show door donations and all of the Silent Auction proceeds will be divided and given to the VFW Post 918, American Legion Post 1713, and Newcomb Vol. Fire Dept. Mr. Joe Wiegand, the TR impersonator, asked this be done in this manner in honor of Patriots Day which was Sept. 11th. Mark your calendars for Sept. 11 and 12, 2010 for next year's Discover Newcomb Weekend and NMQ Craft Fair. There will also be a quilt show that weekend. If you have input or criticism to improve our performance, please feel free to contact Jeanne Garrand 582-5341 or email at jeanneg1@frontiernet.net
*

***The Newcomb Mt. Quilters** wish to thank all who attended our craft fair and supported our raffle quilt. The quilt was won by Mrs. Simmons of Long Lake and Clifton Park. We are already working on next year's raffle quilt. Community service is important to our group. We donate to many charitable organizations throughout the year, both locally and regionally. Some of our donations include monetary contributions to the Newcomb Fire Dept, scholarships to graduating seniors planning to continue their education and helping families in need. Additional

financial contributions have been made to Essex County Mental Health, CASA(an advocate group for children in Essex County), Breast Cancer Research, the Dominican Republic Mission, the American Heart Association and the Leukemia Foundation. Every year our members make tote bags and fill them with personal items for the women and children at the Essex County shelter. We also make lap robes for Hospice and Veterans.

*****Your Thoughts, Prayers, Cards, Casseroles and Visits appreciated...*****
