

Town of Newcomb Telecommuting Survey

The most recent Comprehensive Plan for the town of Newcomb was adopted in 2010. We are in the process of reviewing that Comprehensive Plan with the goal of adopting a new, revised plan in 2021.

As part of that process, we are seeking input from all *working residents* to better understand the scale of telecommuting-related work in Newcomb, and to understand if and how CoVid-19 has impacted this aspect of Newcomb's economy and the landscape of employment for full-time and seasonal residents alike.

Please return your completed survey no later than November 30th, 2020:

- Print and drop-off at Town Hall
